

*“I want to play
hockey!”*

Has your child expressed an interest in skating or playing hockey? Before you say you cannot afford it, please check out the equipment leasing program now offered through Wrecks Change!

Equipping
Alpena's
future hockey
players, one
skater at a
time!

In keeping with the Mission & Vision of the Thunder Bay Wrecks Hockey program, Wrecks Change has been established to help make youth sports in Alpena more affordable. For the modest price of \$100, your child will be outfitted with equipment including a helmet, shoulder pads, elbow pads, gloves, pants, shin guards and skates and will be provided an equipment bag. This equipment is for use during hockey lessons, practices, and games during the 2010-2011 season. When all of the equipment is returned, in good condition, you will be refunded \$50 — your net cost is only \$50!
